Tidewater Community College provides a two year, non-residential comprehensive higher educational program designed to meet the needs of area citizens, the business and industrial community, the medical complex, as well as military and government/public agencies.

The curricula, composed of a variety of Associate degree, diploma, and certificate programs, include the first two years of university parallel-college transfer instruction and occupational-technical education. In addition, the college offers special training programs for business and industry scheduled on campus or at the business location.

Also has a Continuing Education non-credit program to meet other special educational needs of the community. A schedule of classes is developed and published each semester. For information and a class schedule, contact the Office of Continuing Education at the campus most convenient to you.

Services for hearing impaired. English as a second language offered, other languages offered for credit. Call for more information.
