English

David's Place Day Shelter offers a safe environment off of the streets. David's Place day shelter offers showers, phones, laundry facilities, a mailing address, and legal and employment aid to chronically homeless adults; a Winter Shelter provides a warm sleeping place in the colder months.

The day shelter offers passive outreach and clients can participate in programs such as job mentoring, substance abuse focus groups, HIV/AIDS awareness and life-skills workshops. Often these individuals are dually-diagnosed with mental health and substance abuse illnesses, and lack the social and personal skills needed to function in a structured environment. This program serves more than 200 people annually.
