Brookdale Bristol (formerly Grand Court Bristol) is a non-medical residential setting that provides or coordinates personal and health care services, with 24-hour supervision and assistance for the care of adults who are aged, infirm, or disabled. Assistance with activities of daily living and basic care support is provided in a homelike or apartment setting. Residents receive three meals a day, recreational and social activities, housekeeping, linen service, apartment maintenance, and transportation.

Trained caregivers provide attention and assistance with medication management, bathing, dressing, and cooking 24 hours a day. In addition, staff will coordinate services with outside healthcare providers and monitor residents to ensure they are healthy.

Non-ambulatory care is provided to residents who because of physical or mental impairment are not capable of self-preservation without the assistance of another person.
