Veterans Health Administration

Where do I get the care I need?

The Veterans Health Administration is the largest integrated health care system in the United States, providing care at 1,250 health care facilities, including 172 VA Medical Centers and 1,069 outpatient sites of care of varying complexity (VHA outpatient clinics), serving more than 9 million enrolled Veterans each year.

In Virginia, there are 3 VA Medical Centers, 1 Outpatient Clinic, 18 Community Based Outpatient Clinics and 5 Vet Centers.

Locations

Use a variety of search methods to find a VA medical facility to meet your needs, including medical centers, community based outpatient clinics, Vet Centers, and more. For locations in Virginia, please follow [this link](#).

Connect with your Patient Advocate

Every VA medical center has at least one patient advocate who ensures all Veterans at the facility receive the care they need.

Contact the Veterans Crisis Line: 1-800-273-8255 press 1

The Veterans Crisis Line connects Veterans in crisis and their families and friends with qualified, caring Department of Veterans Affairs responders through a confidential toll-free hotline and [online chat](#) available 24 hours a day, 7 days a week, 365 days a year.
