Liberation Veteran Services (LVS) provides a community shelter to provide food, shelter and the power to change for veterans in crisis. LVS partners with various organizations with accredited curriculums on life skills such as budgeting, conflict resolution, health and wellness and credit repair to name a few. LVS is determined to help each individual veteran with the exact need that can assist them, mind, body, and soul. These can be assistance to address issues such as PTSD, addiction, and more, to guide them in the right direction.

100% of Veteran clients receive benefits, counseling and transportation to the VA Medical Center in Richmond for appointments.

Call Homeless Point of Entry (HPE) at 804-972-0813 for shelter referral to LVS.
