### <u>Peak Season for Respiratory Diseases Is Near:</u> There Is Still Time to Get Vaccinated

On December 14, CDC issued a Health Alert Network (HAN) advisory to healthcare providers and public health officials highlighting the increased respiratory disease activity occurring in the U.S. The HAN noted that low vaccination rates for COVID-19, influenza, and RSV could lead to more severe disease and a strained healthcare system for the rest of the season.

### Taking Time: Support for People with Cancer

Taking Time is for people newly diagnosed with cancer and their friends and family. Hearing that you have cancer changes your life, and the lives of those around you. The booklet discusses the many emotions that come with having cancer, as well as how to communicate with others about the disease.
